Welcome to your Senior Year!

Jeff Nemetz Photography is a family oriented studio specializing in senior portrait photography.

Senior Portraits aren't simply school day pictures. These images will represent a milestone in life as you take another step toward graduation.

Our senior collections offer complete packages and everything you need to customize your order. While traditional retouching is automatically included to enhance your portrait images, special digital art enhancements are also available when the occasion is needed.

Personalize your session by bringing in your car, musical instrument, letter jacket, best friend, or anything else you would like to include.

Casual outfits have become the new tradition to wear for Senior Portraits.

But, for those more traditional moments, formal wear and cap & gowns are available.

No matter what, plan on having a GREAT time!

Studio Originals and Payment Policies

The originals are the initial prints from your portrait session, and do not have all the corrections available with your portrait package.

They may be lighter or darker and vary in color from the final work. The originals remain the property of Jeff Nemetz Photography and may not be copied or scanned.

Your previews will be ready for viewing approximately one week after your portrait session. A proofbook of your session may be checked out with a \$100 retainer. A time will be scheduled for you to return to place your order. If you fail to return the previews and place your order, your portrait credit will be forfeited and the previews will be considered purchased by you.

A 60% deposit is required at the time of your portrait order. The final balance is due at the time you receive your completed order.

Normal delivery time is 3-5 weeks. Payment may be made by cash, check, or major credit card. A \$25 NSF fee will apply to any returned check. Your order must be paid in full before delivery.

The studio will not be responsible for orders unclaimed over 60 days.
